# ODW ELEKTRIK

## IS HIRING SAP KEY-USER & PLANT COORDINATOR

2023

**ODW-ELEKTRIK** is a global manufacturer of cables for the automotive industry, based in Steinau, Germany. Currently it has production facilities in Germany, Hungary, Ukraine, Mexico and Macedonia and has about 3,000 employees.

As family-owned company of the three founding families, ODW-ELEKTRIK pays special attention to the care of its employees with clearly communicated policy of promotion and selection of managers by the company's own staff.

ODW-ELEKTRIK Macedonia was founded in Ohrid in 2014. Currently it has a production area of 9,000 m<sup>2</sup> and about 900 employees.

ODW-ELEKTRIK offers free transport for all employees, meal on the factory premises and provides free private health insurance, covering hospital treatment in all private hospitals in the Republic of Macedonia up to 10.000 euros per year per employee.

The salary for this position is competitive and will depend on the knowledge and experience of the successful candidate.
